We slept in on a lazy, rainy Sunday. We woke up at noon, had some cereal and went right back to bed. But I was horny and took out my fave toy. I couldn't wait for him anymore. A couple of hours later he woke up horny too and of course on thing lead to another. Basically, we fucked, we slept, woke up, fucked again all day long.

Sometimes I think MILFs in a huge misnomer.

Who, in their right mind, would ask a woman they are fucking or about to fuck, if they were a mother?
I'm sure that would be a dealbreaker.

I was up at six as usual to go workout before the gym got too crowded. I ran through my routine in the usual time. I do my weight sets, repeat and do them again. I try not to pay too much attention to the others in the club. They are too distracting. I was accustomed to getting attention from the women in the club and I admit I've hooked up with a few of them, but usually I try to stay away and focus on my workout. I come almost every day just to stay buffed.

Today I glance down the line of treadmills and spot these two really good looking ladies. They must be new because I haven't seen them here before. I'd come to learn later that one's name is Lara and her friend is Chasie. They spot me pushing weights around. Although Lara's body was naturally firm

and beautiful. Chasie noticed me as well. She was a little taller than Lara but just as striking. I thought these two were lesbian friends because they sure seemed friendly with each other. Unknown to me, one was married and the other was divorced. On my way out, I noticed the two were watching me from the treadmills. I give them a passing glance and see them gesturing me to come over. I stop momentarily and change direction back to the treadmills and my (I hope) adventure. The conversation with them was short, I exchanged numbers with Chasie, since Lara was in a relationship, and they agreed to meet up later.

Chasie and I would have dinner that night, then we'd go dancing. The dinner went by fast as Chasie dropped all the appropriate signals and I quickly understood I was going to fuck her. Chasie seemed quite attracted to me that when I moved in to kiss her after dinner, it sparked an immediate make out session that prompted us to skip the club and go straight to a hotel. I paid for the room while Chasie waited in the car. She sent an urgent text to Lara with the address. As soon as the room door was opened, Chasie jumped into my arms, wrapping her long legs around my waist, and her arms around my neck.

I slowly let her down, and as soon as her feet touched, she ripped my shirt open. As my hands slid up her summer dress, she began to leak juices on her panties. With a big smile, I pulled her panties down. She grabbed one of my hands and placed it on her pussy. As I slipped two of fingers inside, she let out a moan as they went in and bit her lip. I carried her over to the bed and laid her down gently. Chasie watched as I took off my pants and stood between her inviting legs. I slipped out of my boxers and stepped forward.

Just then her cell phone rang. Chasie looked at me and said she absolutely had to take the call. It was Lara. They talked for a very brief moment and then hung up. Chasie set the phone on the night stand and refocused on my cock. She grabbed it, pulled me over and guided it into her waiting mouth. At that moment, Lara arrived and knocked on the door. I seemed surprised when she walked in. I must admit I was not expecting her but quickly agreed to her joining when she and Chasie started kissing and touching. I sat on the edge of the bed watching these two beautiful women licking each other.

Chasie kept slapping Lara's ass as they were sixty-nining. Watching them my dick was at heightened arousal with every slap of Lara's perfect ass. They had decided to put on a show for me as Chasie laid on her stomach in between Lara's legs and begin to eat her out. As she plunged her tongue deeper into Lara's now leaking hole, she made her ass cheeks jump and clap in front of me. I couldn't control myself anymore and had to join in. I approached Chasie's inviting pussy from behind and slowly fed my cock into it while she continued to tongue Lara's pussy. Chasie felt me entering her but Lara muffled her scream by grabbing the back of her head and forcing her face deeper into her pussy.

With two hands gripping Chasie's ass, I was surprised by the tightness of the vagina I was fucking. I gained my composure and slowly starting to push my cock deeper into her. Her pussy was tight as I continued fucking her and watching Lara slurp up anything she could. Chasie's pussy squeezed me tighter and I responded by pushing into her harder, pounding my cock into her ass cheeks.

Lara could hear the loud clapping of our bodies along with Chasie's tongue between her legs and it made her orgasm hard. She arched her back and squirted in Chasie's face. Eyes closed, Chasie felt the spray on her lips and nose and immediately used her tongue to clean Lara's juices. I leaned back, grabbing Chasie's hips and forcing every inch of my cock inside her. She let out a loud moan before Lara pushed her face back into her pussy and started to fuck her tongue. Chasie was now creaming all over the bed and her wetness encouraged me to push my cock even harder inside her.

I grabbed her long blonde hair, wrapping it around my hand and pulling

Chasie unable to concentrate on anything but my cock poking her insides, stopped tonguing Lara and braced herself as her whole body shivered on my cock.

her head back. I rode her hard, slapping her ass from time to time. Now Chasie unable to concentrate on anything but my cock poking her insides, stopped tonguing Lara and braced herself as her whole body shivered on my cock. I knew she was coming as I kept pumping hard trying to outlast her. Chasie finally came squirming and buckling, her sweaty body sliding all over Lara's underneath her. As Chasie lay shuddering with my cock still inside her, Lara moved behind me and began to lick my balls from between my legs. She held on to my cock as it moved in and out of Chasie. Chasie collapsed in exhaustion, sliding off my cock with a sloppy plop. Her pussy lay wide open as she caught her breath and licked her own juices from her fingers.

Chasie, who had finally recovered from her shivers, slapped her on the ass and began licking her and me. I lifted Lara up and down on my cock in a slow rhythm. She put her arms around my neck and whispered in my ear to give her a goof fucking. I pumped her harder using one hand to lift her by the ass and the other to keep Chasie's head positioned on my balls as I went in and out of Lara. Finally the effects of Lara's whispering and the grip of her vagina along with the ferocity of Chasie's sucking my balls forced me to reach my breaking point. My knees jerked as I let out a monstrous groan. Chasie grabs my cock and pulls it out of Lara's pussy and right into her mouth taking my full load filling her oral cavity with it. As her mouth filled with hot cum, I held Lara high so she could also get the drips from Lara's soaked pussy.

I gently laid Lara on the bed and Chasie immediately went over and started tongue kissing her. They licked each other mouths and faces and the sound of that and their girly noises made me hard again. I decided to thrust my cock between their mouths as they kissed and they obliged by licking it clean. I was at the gym the next day but I did not see them there. Perhaps they were recovering in each other's arms?

BOOTY FOR DAYS

I have to admit that I like trying new things and right now I like the thrill of having sex in other people's houses. No, not my boy- friend's house, but maybe his parents. First there is that thrill of getting caught. The fact that there is the possibility of that happening is enough to get my adrenaline pumping! But what really gets pumping is his big hard cock in my ass. After all, you don't fuck in your same old bed at home every time. Now do you?

BLAIR-NTS-00

girls will be girls even if one is married

I initially met Devin a couple years ago at a company retreat at Grand Junction, Colorado. She had only been with the us for a month and was a little scared at her new job. But she quickly fit into R&D and just recently got a promotion. At only twenty-three. I came to learn that she was a bit of a 'wunderkind' in high school and college. Last month she got married and there was a little office party for her. Her new husband worked in sales for one of our suppliers. That's how they met. He'd bring by new products and show them. Devin was in charge of buying lab supplies for us, so she would meet with him every time he came in. They courted for almost a year and finally tied the knot. I'm in another department and didn't really know her that well, so I didn't go to the wedding. I heard it was nice.

It turns out that they purchased a large townhouse in the same complex I live in. I didn't know this until I saw her one day at the clubroom. She was setting up a small party to watch the playoffs. I happened to be walking through to go to the workout room. She was in a short blue summer dress that showed off her long legs. It also framed her bust nicely and I noticed how full it was. At the office, the clothes we must wear are not very flattering and she's often in a lab coat. She looked so hot today. I had a crush on her right away. We would pass each other in the hallways at the office and even had some joint meetings, but everything was strictly on a professional level. But that didn't stop us from giving welcoming smiles to each other every time we ran into each other. She mentioned that her husband was away for a couple weeks on calls to Atlanta and so she invited some friends to come by and watch the games with her, hinting that she didn't like being alone.

She invited me to come. The games were on Friday, Saturday and Sunday, and she had reserved the clubroom from four until ten for those three days. I said I'd love to, even though I wasn't a big basketball fan. She said she wasn't either, but she wanted to show her husband that she had an interest in them since he was such a big fan. He even wrangled some tickets to one of the playoff games while he was there. We talked for a few more minutes and I headed off to do my workout, telling her, I'd love to come and maybe I could even help her set up, if she needed some. She smiled at me and shook my hand. Then she went on with her setup.

The next day I went to the clubhouse at three, a little before her guests were to arrive. She said that were going to be as much as an hour late so we spoke about our jobs, life, men, etc. She asked me if I had a boyfriend since I wasn't wearing a wedding ring. I told her that I didn't, that I was gay and she seemed surprised. But she didn't have any apprehensions, giving me an approving smile. I could sense a curiosity in her smile and a twinkle in her eyes. We smiled and continued talking. After a few more minutes, her smile turned sensual and I felt like she was looking at me differently. Soon, my sexuality was the topic she often brought up. Every time she did, I could see that she was enjoying it. Then, in a hushed voice, she revealed that she had 'experimented' in college. You know... 'gay-for-a-day.'

BLAIR-NTS-10

The guests started to arrive around 4:30, and by 5 they were all there. Three couples, Devin and me. We watched the games and ate and drank, and two of the three teams we wanted, won. The party ended as the last game clock wound down and the players were being interviewed. She gave me a big hug for helping and I could feel her full breasts against me. Devin and I cleaned up a little and headed back to our homes about 10 that first night. It had been a great evening, and all I could do was think of her as I laid exhausted in my bed.

The next day was Saturday and the games started a little earlier. The same couples came and by now, we were all pretty boisterous. Today, the games ended about eight and the mess was a little bigger. Again, I stayed and helped her tidy up and realized that I was getting more attracted to her. But she was married and her experimenting days were behind her. So I tried to keep it as friendly as possible. Besides, I was sure that some of the curiosity and interest she showed in me was because of my gayness. But deep down, I felt that she might be drawn to me too. We walked back to our homes that night and shared a long hug as our paths diverged.

Sunday came around and only two of the three couples showed up. While the games were exciting, we were all losing interest and after the second game, the two couples went home. Devin and I cleaned up once again, but this time it was easy. I held a big trash bag open and she slid all the garbage into it and we were done in a half hour. Since it was still early, Devin invited me to her home for a glass of wine. Initially I refused because we had work the next day, but she sweet talked me into it. Her townhouse was a little larger than mine and very nicely decorated. I saw a little of each of them in the furnishings. She went into the kitchen while I sat on the sofa and kicked back.

She returned with two glasses of a nice pinot grigio. I was very sure that she was checking my body as I saw her eyes moving up and down. She sat down next to me and we spoke about the games, the couples

and other things. She told me that while her husband was away she appreciated me being around and keeping her company. I was listening intently and didn't realize that the glass was slipping from my fingers. It fell on my blouse and down my skirt. Apologizing for my clumsiness, she showed me to her bathroom. I took off my top and skirt and saw the yellowish liquid all over my me. It glistened on my wet breasts, belly and smooth thighs.

When Devin knocked on the door, it opened slightly. She showed me a towel through the small opening. I took it, and in doing so, the door opened wider and I laughed and apologized again. She told me not to worry and she took a step into the bathroom. As she walked in, I could see her looking at me with a yearning in her eyes. She put a second towel on the sink and began to leave the bathroom. Then she turned around and walked back towards me with hesitation. I could see that she was trembling a little. She stood in front of me and looked at me. I didn't know what to do and just stood there in my wine soaked undies.

Devin touched my neck and drew herself in closer. Then she ran a finger all over my neck and chest. Then she put her arm around me and pulled me in to her gently and kissed me. After a few seconds, she let go and looked at me with a confused but expectant expression. I could tell through her eyes that she wanted me and hoped I would give myself to her. I kissed her back. We kissed deeply. After a short moment, we let go. She put her arms around my waist and pulled me closer. I looked at her with a little concern and asked if she was sure she wanted this. Without an answer, she kissed my neck and told me she did. She looked into my eyes and slid her thumbs inside my panty and ran them around the elastic. I could feel her thumbs brushing against my mound and my butt.

I could see that she was trembling a little. She stood in front of me and looked at me. I didn't know what to do and just stood there in my wine soaked undies.

I looked at her and smiled. She slowly pushed me towards the sink counter and made me sit on it. It was obvious she wanted to be in control, and I liked being controlled.

Her hands were warm and I could feel them caressing my shoulders. Our eyes and lips were finally at the same level. Then she kissed my neck and started going down. When she reached my cleavage, she pulled down my bra a little and kissed me between my breasts. Then she started licking the remaining wine drops off my boobs, undoing my bra as she did. She leaned down a little more and kissed my breasts and then over to my nipples.

She began sucking on them and I moaned softly and encouragingly as her tongue swirled around them. She continued to suck, kiss and gently bite. All I could do was to enjoy. Then she got on her knees and licked my leg and I played with her hair. She traced the trickle of wine from my thighs as she sucked and then bit me on her way up. I lightly shrieked and she hesitated. She knew that I liked it. I love it when sexy women nibble on me.

Her head reached between my legs and she continued to bite and suck. Finally, she kissed my pussy over my wet panty. Then she got up and pulled my panty down. I squirmed on the sink counter and she straightened up, took my hand and guided me to her guest bedroom. She told me to lie down and made me watch her undress. I tried to lend a hand but she gently pushed me back. Naked, she got in between my legs and we kissed. She held my hands apart and kissed my breasts as she slowly rubbed her pussy against mine.

It seemed like forever until she put her finger inside. Those fingers were working inside me like little orgasm machines, pumping in and out like pistons. While she did this, she licked and sucked my clit. I came hard and she liked it. She gave me a few moments and then got back to work. She spread my legs and held my thighs and started eating me again. I held her hair and pulled on it every time I shuddered.

She would spank my hips and butt when I raised it, leaving red spark marks across the area. It stirred my pelvis with electricity. When I told her that I was about to cum – she stopped. She made me get on my knees and made me lean my chest on the pillows. She kissed my nape and worked her way down my back. When she reached my ass, she again nibbled it. Then she spanked my ass, first gently, and then a little harder, and then harder still. She licked my cheeks, my crack and kissed my starry rosebud.

She gently tongued inside my butt hole using her spit as lube. Then she slid her finger into it. At first it hurt, but slowly she loosened me up and kept fingering me at a steady pace while she continued to mouth my pussy and finger it with her other hand. It was so good that I began to moan loudly. Harder and faster her hands and mouth worked, especially inside my ass. The sensation was different, the feelings were new and pleasurable. She was building me up to a big climax and I did not want to hold back.

Then I came so hard that I screamed out loud and I felt my juices squirted onto her face. She spanked my ass hard one last time and then she made me lie on my back. She licked my juices flowing down my thighs and licked my pussy clean. Slowly she lay between my legs and kissed me. I licked my cum off her face and kissed her shiny lips again deeply.

Then she raised her head and gave a naughty smile as I gave her a shy smile. I was hers from now on. She kissed me again and pulled a cool sheet over us. She lay on me. Her controlling body on top of mine. Our sweats mingling together. Her head on my breasts, her breasts on my belly, and her waist between my legs. As she slept on me, I slowly fell asleep myself, holding her tight against me for the rest of the night.

Naked, she got in between my legs and we kissed. She held my hands apart and kissed my breasts as she slowly rubbed her pussy against mine.

I'm ready to put the "sexy chit chat" aside and really show him what I'm made of. Though slim, I could tell he had a big cock. They always say "the skinny dudes have the biggest dicks." Well, I can tell you that's the truth. Do you think he will like my boobs?.

A woman is lying on a red tufted couch. A ruffled red blanket is draped over the left side of the couch. The woman's legs are extended, and she is wearing black high-heeled sandals. The background is a solid red wall.

She's going to get all spruced up in her vinyl and mesh and look her adorable best. For starters, look at her amazing body and her gorgeously firm breasts and pert nipples. There's also her slightly naughty demeanor that always hides until the right moment. Sunny tries to play quiet and shy but is quite the unshy type. She loves to be herself and whatever that is, it's really hot and sexy. Agree?
